Spa Facilities

Thermal zone

The SPA at Hotel Imperial features steam bath, traditional finnish sauna, aroma sauna, infrared cabin, jacuzzi, kneipp path, heated relaxation room etc.

The steam provides the therapeutic element of your SPA journey and is the perfect setting for you to unwind after a hard work out, allowing you time to cleanse your skin and relax your muscles and joints to stimulate your circulation.

Both finnish and aroma sauna cabins have numerous positive effects - strengthen the immune system, revive the muscles after tough physical exertion, clear the complexion, even relieve the symptoms of minor illnesses. The sauna experience leaves you much alive, with soothed body and a relaxed mind.

Our exclusive relaxation room envelops you in deep rejuvenation as you fully absorb the healing energy of your treatments. Decorated in soft tones you can escape into your own world, accompanied by your own personal choice of music to send you into a deeper state of relaxation.

Accessories

For your comfortable stay, in the SPA and wellness center you can find bath robes, towels and disposable slippers.

A large choice of male and female bathing suits and spa accessories can be found in our SPA boutique.

Gift vouchers

Our vouchers are the perfect gift for every event or occasion. You can purchase vouchers for all therapies, SPA procedures, hotel accommodation or any combinations in the SPA and Wellness center.
